

### **Hartford Junior School Sports Premium Funding Plan 2019-20**

Schools must use Sports Premium funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport we offer.

This means that we use the premium to:

- develop or add to the PE, physical activity and sport activities that our school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

In 2019-20, the school anticipates receiving £18,289 in Sports Premium funding.

We plan to spend it in the following ways:
